

Can One Pill a Day Help Avoid HIV?

Everyone is talking about PrEP (pre-exposure prophylaxis) and there are still many questions. Join the Florida Department of Health in Columbia County for a town hall discussion on HIV prevention.

Wednesday, June 29, 2016

6:30pm to 8:30pm

Lake Shore Hospital Authority Building

259 North East Franklin Street, Lake City, Florida 32055

A distinguished panel of speakers will be available to answer questions:

Jennifer Janelle, MD, North Florida AETC Principal Investigator

Gay Koehler-Sides, MPH, Area 3/13 HIV/AIDS Program Coordinator, DOH - Alachua County

Larissa Cantlin-Plemons, MA, Area 3/13 STD Program Manager, DOH - Alachua County
